Thank you for inquiring about our ministry. General information about our organization has been included with this letter. But before pursuing this course further, please spend time in prayer so you may receive clear direction from the Lord concerning your future.

Hearken House Ministry is a Christian-based facility located in Chambersburg, Pennsylvania. It is an official state-designated half-way house overseen by a Mennonite board.

We consider ourselves to be a “therapeutic community”: one for all and all for one, and totally transparent with one another. In brief, we are accountable to each other, and each resident is governed by two basic principles: **submission and accountability**. We are ready to answer for our actions and behaviors at any time and to any resident. Also, within the “therapeutic community,” we require that everyone conforms to the Hearken House rules and policies. A list of rules and policies is enclosed.

If accepted as a resident, you must commit to a 24-month work/training program at the ministry’s warehouse. Activities at the warehouse include, but are not limited to, loading/unloading trucks, operating a forklift, and maintaining vehicles. A job description is enclosed.

While at the Hearken House you will be compensated at a rate of \$9.00 per hour for a 40-hour work week at the warehouse. This \$360.00 (minus standard payroll taxes) is paid weekly. Additionally, some residents qualify for food assistance through the government’s Supplemental Nutrition Assistance Program (SNAP).

Moreover, although you are responsible for the purchase and preparation of your own meals (a full kitchen is present), the Hearken House provides each resident with an area to store dry goods, refrigerated products, and frozen foods in addition to a bed with a complete set of linen and a space to accommodate a limited amount of clothing and personal items. A washer and dryer are also available.

The lodging fee at the Hearken House is \$350.00 per month. However, the first month is free.

Lastly, to expedite the process, ensure you read, sign, date, and return all the enclosed documents requesting such action as soon as possible.

May God Bless You Always,

Raymond Addis  
Office Administrator
